

EXCURSION TO POMPEII

This is a half day excursion by bus with tourist guide.

Departure from Naples on the highway at the feet of Vesuvius, we'll arrive at our destination after about 20 km in about 30 minutes.

We'll enter in the famous archaeological park where we'll visit an ancient civilization, whose life was stopped by the catastrophic eruption of the volcano that destroyed it in 79 a.C. Pompeii constitutes a real city with its houses, the roads, the squares and public buildings.

We'll visit the Foro with the Basilica and Tempio di Apollo.

We'll visit the Via dell'Abbondanza with splendid residences rich of frescos.

The therme, or public baths, and in the end, a typical pistrinum that is a bakery with oven and mills. Not to be missed the famous chalk silhouettes with human imprints.

Return to Naples on the same highway.
