

### EXCURSION TO POMPEII AND SORRENTO

Classic full day excursion by bus and tourist guide along the western side of the bay of Naples. Once reached Pompeii in about half an hour on highway, we can visit the famous excavations. We will see the Foro, the roads, the houses, public and private buildings where the time stopped after the eruption of Vesuvius in august of 79 a.c.

After this interesting visit, we'll have lunch in a local restaurant.

Departure to continue our itinerary along the coastal road of Sorrento Peninsula.

Through splendid landscapes, picturesque villages and orange and lemon tree gardens, we'll get to Piazza Sorrento.

Visit to the historical centre and its typical and animated small streets flanked by shops.

In the end: San Francesco gardens with wonderful landscape of the Bay, of the Vesuvius and Naples.

Return to the city in late afternoon.
